KPFK FOLIO

REPORT TO THE LISTENER

Tarabu Betserai

Many congratulations are in order this month. To begin, the Criminal Division of Justice Department issued a statement on July 15th that they will not be handling the obscenity case against KPFK because of the lack of prosecutability in light of the FCC policies then in effect. This relates to the April 16th ruling by the FCC to formally warn Pacifica and KPFK for a program we broadcast reviewing a play on AIDS and safe sex, and specifically its intent to refer the case to the Justice Department for possible criminal violations. We are of course delighted with the statement issued by the Justice Department and view it as a victory and a validation of our original contention that this case

would not bear any serious legal scrutiny. However we view this victory as one battle and not the entire war. Pacifica is still committed to remaining in the forefront of this fight and continuing in an affirmative manner with our initial appeal to reverse the April 16th ruling and to challenge the chilling effect of this ruling. But for now the threat of criminal prosecution, which we have felt was preposterous from the very beginning, has been removed.

The results of the June Fund Drive have been stunning. We topped our previous record high January Fund Drive this June. Our ten day fund drive, the first such

attempted, raised \$147,566 in pledges. In addition we raised another \$38,000 in pledges for our Contragate coverage, and a whopping \$60,000 in a pre-fund drive direct mail letter for a grand total of \$245,000. We thank you for your overwhelming support during these trying but exciting times. Please make your pledge count by sending in your payment if you have not already done so and thank you once again for your continued support.

July also marked the hiring of our new Program Director Lucia Chappelle. A field of extremely qualified applicants applied for the job, and a long and detailed process resulted in a great candidate selection. Lucia has been the Fund Drive Coordinator for the past three fund drives and she has also worked with KPFK since the early 70's in many different capacities. Her experience, patience and spirit will be a great asset to KPFK. Thanks to the Program Director's Hiring Committee of John Patton, Don Rush, Miya Iwataki, Blair Zarubick, and Diane James, for their astute and clear judgements.

KPFK SWITCHBOARD - (818) 985-2711

9am to 5pm, Monday - Friday

August will be the last month of the Iran-Contra Hearings if the committee holds to its promise to conclude its hearings on August 7th. Chances are that the hearings will go longer than August 7th but that they will conclude in August. So I would like to thank and congratulate the outstanding and critically acclaimed work of KPFK's Contragate team. Executive Producer Alan Fong deserves many kudo's as well as Cory Dubin, Zeta Graham, Leaburt Whittaker, Bob Young, and Diane James. Our note takers, editors, and support staff also contributed immense energy in bringing you the most extensive and detailed coverage in the Los Angeles area. Thanks to Blair Zarubick, Rico Clement, Andy Weiss, Roby Timmerberg, Aileen Dietz, Richard Wolfe, Bruce Yale, Mark Kellor, Nancy Clark, Don Rush and the entire news team, and of course our Contra Clowns: Peter Bergman and Paul Krassner.

Remember, letters of support for KPFK protesting the FCC action can be sent to Dennis Patrick, Chairman, FCC, 1919 M Street N.W., Washington, D.C. 20554.

The next KPFK Local Board Meeting will be on September 1, 7:30pm. Please contact the station for the meeting site.

PROGRAM HIGHLIGHTS

Hearings Post Mortem

Alan Fong and the Contragate Team are planning a series of specials examining the hearings and related issues to be broadcast the week following the conclusion of our gavel-to-gavel coverage. At press time the House and Senate Joint hearings on Iran-Contragate are expected to continue until the middle of August. Stay tuned for specific information.

The Times Are A Changing

This month Canto Tropical moves to Saturdays at 7 PM. Hector Resendez and his crew of volunteers will be including more news and information in their new format. They will be followed at 9:30 PM by Saturday Night Flight With Dr. Don, (formerly called Third Wave), which now takes to the air weekly.

All About Books with Pearl Skotnes will now be heard Saturday mornings at 11:30 AM and the following programs will all be on one half hour earlier. The Weekend Calendar, The Car Show, Centerstand, Sounds of Jamaica, The Saturday News, and The Poetry Connection, and Critics Corner. Please check the program listings.

We're also pleased to announce that the folks who produce Caribbean Pulse, (formerly Belizian Music) are experimenting with a broader focus for their programs in a new time slot, Friday mornings from 9:30-11:30AM.

Believe it or not, the menu won't suffer at all when Thursday Lunch moves to Friday evenings. John Breckow has decided to close shop on Fridays for other work which he says need attention. He will however continue on Sunday evening. In his stead Bob Young will serve up a sizzling platter of satire and stuff featuring, but not limited to, music by the Grateful Dead. Renaissance and Baroque music will be the fare for the Noon Concert on Thursdays in August.

Anniversaries in August

- 9th - South African Women's Day (Special programming at 5:30 PM)
- Bombing of Nagasaki (Special programming at 6:30 PM)
- 26th - Nigerian Coup (Special programming 8:30 PM)

The Pacifica Foundation provides the KPFK mailing list to an organization which in turn rents or exchanges, on behalf of the Foundation, mailing lists to other nonprofit organizations. If you object to having your name and address used this way, please write to our Subscriptions Department, enclosing a recent Folio label, and we will omit you from our exchange list.

If your request to have your name and address not given to other organizations has already been entered in our computer, the letters NX will appear on the top line of your mailing label, to the right of the expiration date.

KPFK FOLIO

KPFK continues our commitment to broadcast the Iran/Contragate hearings to their conclusion. Because information on this issue is coming out so quickly, some of our regular programming may be pre-empted to allow for full coverage of Iran/Contragate. At the time of this writing, the hearings are scheduled to end on August 7, but that is subject to change at any time.

While KPFK airs the hearings from gavel to gavel, you are welcome to come down to the station, volunteer some time, possibly help answer phones, and listen to the hearings here at the station with us.
